

KUSWE

JOIN THE NEW KU SOFTWARE ENGINEERS CLUB

ABOUT US

KUSWE is dedicated to bridging the gap between academic learning and real-world software engineering practices. Through this organization, students from diverse backgrounds come together to collaborate on ambitious projects, mirroring the dynamics of the tech industry.

WHAT IS KUSWE?

As part of our core activities, we conduct regular workshops, coding sprints, and seminars featuring industry experts. We also offer a mentorship program where students connect with seasoned professionals for guidance and insight.
